

**This letter campaign fundraiser has been a huge success for our football program in past years.**

**We need 100% participation in order to reach our fundraising goals!**

Here is how it works:

1. Complete the attached Gridiron Club form listing the names and addresses of 10 friends and/family members that you think might lend their financial support to the football program. Feel free to list more than 10!
2. Turn in your completed form to Starr before June 30, 2011.
3. We will print, address and mail letters asking for donations to all those you list on your form.
4. In September all players will receive gift bags for their donators with according to their donation level.
5. Players will deliver the gift bags to those that donated on their behalf.

**This fundraiser has proven to be very simple and convenient for families**

**If you are interested in helping address envelopes or if you have any questions please see Starr or email [starrtnew@aol.com](mailto:starrtnew@aol.com)**
